Joe Neilser, *Horn* Eric Kaiser, *Horn*  
William Koehler, *String Bass*

*Intermission*

The former Czechoslovakia is now politically divided into the Czech Republic and Slovakia. The composers on today's program only knew the areas as parts of the Austrian Empire. Smetana's use of specifically Bohemian topics in his music was part of the resistance to the Austrian rule that eventually led to the independence of Czechoslovakia after the First World War. No matter what the name of the country, artists from this Central European area continue to enrich the musical heritage of Western music.
